

F&R Committee - Reports & Attachments 24/03/2025

Please note that in accordance with statutory requirements it is important that you notify the Clerk as early as possible if you are unable to attend any meeting. This is to avoid an inadvertent casual vacancy arising through a Councillor's failure to attend a meeting for six months. Your reasons for absence should be given to the Clerk in order that the Council can decide on whether to approve the absence. Reasons for absence will be kept confidential as necessary, but it is a legal requirement that the minutes must record the Council's approval, or not, for absence, in accordance with Section 85 of the Local Government Act 1972 (as amended).
