WELTON-BY-LINCOLN PARISH COUNCIL NOTICES

Welton Music and Arts Festival

A huge thank you to all those who attended and supported our annual event. Most of the events were well attended and those who did have given us positive comments; if you would like to give feedback and haven't done so already, please scan the QR Code and complete the survey.

The Xenna as Taylor Swift and Mercury (Queen) tribute nights were amazing and everyone was up dancing and singing along. The workshops produced some fantastic artwork. The comedy night produced a lot of laughter and the Scottish dancing had them reeling around the room. The choir and Tea Dance were ever popular. The children's events were very well attended and they enjoyed meeting Bluey, Stitch and Woody.

Hot Weather Safety

Please don't underestimate the harm that high temperatures can cause to the elderly, the vulnerable, and our pets.

During hot weather one of the key messages is to keep a close eye on older people, young children, and people with long term health conditions; their bodies can struggle to cope with the heat and they are at greater risk.

If you have a dog, you're probably well aware that dogs die in hot cars. You may not know that dogs may also die on hot walks. The RSPCA website has some useful information on keeping pets cool in hot weather.
