PC NOTICES

Dates for your Diary:

11th November at 11.00am Remembrance Day Service at the War Memorial

29th November from 3.00 – 6.00pm Christmas Market & Tree Lighting on the Village Green. If you would like a stall at this market please email Louise Gibbs.

Speeding & Parking:

Please be mindful when driving through the village and keep to the 30mph speed limit; particularly around those areas where children are walking to and from school. Parking is always a talking point and again, if you are able to walk or cycle to the shops, schools etc., we would encourage you to do so to keep as much traffic off our roads as possible, but if you do have to bring your car into the village centre or to take children to school, please be aware of where and how you park; do not block entrances or driveways. Please do not park on the grass verges or on areas of open space that are not designated for parking.

Dogs:

Please keep dogs on leads and under control and be aware of others by keeping your dog close by. Dog mess is unpleasant and there is no excuse for not cleaning up after your pet. Please pick up after your dogs and place in the bins provided around the village or take home to dispose of it.

Lincolnshire Police are responsible for dealing with dangerous dogs. If you are concerned about a dog behaving dangerously, please report it by telephone to 101. If someone loses or finds a dog, they should always contact the local authority by telephoning 01427 676676 or online at www.lincsrescue.com

Bird Nesting Season, Trees and Hedges

The bird nesting season is now over and if you have trees, shrubs or a hedge in your garden that borders a footway please walk around and give it a visual check so that pedestrians are not in danger from overhanging branches. Raising the canopy of shrubs and trees will ensure the health and safety of pedestrians and prevent you receiving a letter from LCC asking you to carry out the work. If you own a hedge please inspect the base of it and if necessary give it an 'autumn clean'; some people seem to think it is acceptable to discard their rubbish in hedges and apart from it being an eyesore, it can endanger wildlife.

Remmber to leave gaps for hedgehogs and put a bowl of water out for them to keep hydrated.
